

BMA: The Serie

Episode 14: To Reach Our Dreams

INT. GAZEBO - DAY

There's a rhythm BEAT. Trevor is sitted without knowing what is he doing there. In front of them are the four ambassadors with a serious face. Jennifer is in the middle.

JENNIFER

You might be asking, why are you here? And to make it short, we hear around that you might know something about this.

He pulls an origami figure towards him. Trevor looks at it.

INT. MARKETING OFFICE - DAY

The volunteer that was helped before by Dylan comes out of her office with some papers in her hands.

VOLUNTEER

So what did you said exactly you were looking for?

The four ambassadors are in the reception sitted. Jake puts one origami figure in top of the desk. The volunteer just turns and looks at it.

INT. FARM - DAY

The guy that got the fish origami is working with some plants. Then as he goes to wash his hands he realizes the four ambassadors are there waiting for him. He look at them strange. Melissa has in her hands an origami figure.

EXT. SWINGS - DAY

The four ambassadors are approaching a single kid in the swings from a GENERAL FRAME.

INT. LIBRARY - DAY

There are some kids studying, then they raise they sight and see the four ambassadors in front of him looking at him.

INT. MEETING ROOM - DAY

The four ambassadors are together with a big bag. They seem kind of pleased.

JENNIFER

So, do we know what to do?

They all nod with a smile.

INT. CLASSROOM - DAY

Dylan is on his class with his mind somewhere else. He sighs.

SCREEN

INTRO

INT. BMA LOBBY - DAY

There are a lot of kids studying with each other in the halls trying to remember the things they just studied. Nick and Rodi are doing a memorizing review. Suddenly Eddy just gets over the sits in the middle. Adam, Zero and Skinny are next to him.

EDDY

Hey listen up everybody! Remember, all you have to do in the physics section is remember your formulas. You already know them, so that should be easy. In the reading section is just a matter of concentration. Nothing more. Don't go fast on the math exercises, read them carefully. And don't minimize the signs, most people fail because they don't pay attention on the values of the numbers.

Everybody is taking notes and listening carefully.

EDDY

So, do you think you are ready?

INT. CLASSROOM - DAY

IMAGE SEQUENCE

The students are sitting in their desks, someone is passing them some sheets. They start writing. Someone is using a sheet to make operations. There are some trying to remember. There are some pages flipping. Eddy seems relaxed about his test. Skinny is having some issues, but still is doing pretty well. The clock in the wall is advancing fast.

INT. BMA HALLS - DAY

All the kids are getting out of the classroom happy and talking with each other.

NUGGET

I can assure you that at least I'm getting an A. I studied hard and I'm ready to collect my efforts.

TUCKER

No way, you aren't that smart.

The kids are really excited and some of them are reaching to Eddy and his friends to thank them. They are standing at the distance looking proudly at all the kids excited about their grades.

EDDY

You know, you did it. All these happy faces belong to you all.

SKINNY

What are you talking about? You started all this, we just followed you.

EDDY

But you were the ones that kept the process, even when I left. You were really the visionaries here.

Nick and Rodi pass next to them and look at them for a while. Nobody says anything. Then Nick just nods with a smile and extends his hand to Eddy. Eddy smiles back and shakes his hand.

NICK

I wouldn't expect nothing less than the Big Brother.

(CONTINUED)

RODI  
You rock man!

EDDY  
(pointing at his friends)  
Well, you should thank them. They  
make it possible till the end.

Eddy's friends smile. Nick and Rodi just smile and leave.  
Eddy smiles and as he turns he realizes Anna is approaching  
them with Zoe.

SKINNY  
(whispering)  
Oh oh. Here it comes.

ANNA  
Hey guys!

EDDY  
Oh... hey!

Zoe goes with Skinny, Adam and Zero leaving alone Eddy and  
Anna.

ANNA  
You might be feeling proud of  
yourself, don't you?

EDDY  
I have to admit I do. But I do have  
to admit it was thanks to my  
friends this was even possible.

ANNA  
Still you started it. Your example  
was enough to make them follow your  
steps.

EDDY  
(smiles)  
I guess it might.

ANNA  
Well, I feel good for you hearing  
all the kids praising your  
tutoring. I'm sure that was really  
helpful, I myself used your  
teachings for these tests, and look  
at me. Here I am. Feeling confident  
and ready to pass.

(CONTINUED)

EDDY

I'm glad for you.

Eddy and Anna keeps talking. They seem happy and relax talking to each other. Skinny, Adam, Zero and Zoe are at the distance just watching them talk with curiosity.

ZOE

He's not going to say anything.

SKINNY

Just wait, we trust our brother.

Anna then smiles and gets ready to leave.

ANNA

Well... I just wanted to remark that you just made all these kids their day, and also thank you for helping me before. I sure was needing it and it was really helpful.

EDDY

Oh. It was... a pleasure.

Anna smiles and starts leaving. Eddy keeps looking at her go without knowing what to do. Zoe starts leaving Eddy's friends to get closer to Anna.

ZOE

What did I tell you?

ADAM

Wait...

Suddenly Eddy goes after Anna.

EDDY

(nervous)

Hey! I just wanted to know, obviously if you want, you don't have to say yes if you don't feel like it. But if you do you can say yes. I mean...

Anna just look at him waiting for the punch line.

EDDY

Do you want to eat together on lunch? I mean, if you don't have any other plans. And I mean it with your friends too, mine also, just

(MORE)

(CONTINUED)

EDDY (cont'd)  
like... you know. A regular supper  
eating, nothing special. Unless you  
rather something special, I don't  
mind.

ANNA  
That would be nice.

EDDY  
(smiles)  
So, do we see later at the  
cafeteria then?

ANNA  
Sure.

Anna leaves Eddy. He seems really happy about the outcome.  
Eddy's friends just look at him with a mischievous smile.  
Then Eddy erases his smile getting confused.

EDDY  
Did she said yes to the supper  
altogether or the special supper?

INT. BMA HALLS - DAY

Jake is walking with the janitor.

JANITOR  
So you said you lock your locker?

JAKE  
Yeah, that was a dumb move of me. I  
promise this won't happen again.

JANITOR  
Lucky for you I'm here.

The janitor gets to the lockers and points one. Jake nods  
affirmatively. He opens it with his key.

JAKE  
Thank you so much.

The janitor leaves. Jake turns to all sides and then gives a  
sign.

INT. CLASSROOM - DAY

Dylan is going out of his classroom. Tucker is walking with him.

TUCKER

I'm telling you. Nugget took some tutoring I dunno' where, but he was actually bragging about his grades.

NUGGET

I wasn't bragging my friend. I'm sure I'm killing this test with at least an A.

TUCKER

You just told me that, but no man, I don't believe you. You are one of the dumbest guys at school. If you ever do better than me, that is the day that we will see the pastor with a beard.

Dylan keeps going without saying anything. He has an empty water bottle and is passing it through all the wall. Tucker and Nugget keep talking each other. They get to the lockers.

NUGGET

I'm telling you. They are the best. Professionals. They teach like actually pros.

TUCKER

The teachers are pros and they do it just fine. The fact that you don't pay attention to the classes doesn't mean that you are getting help with some professionals.

NUGGET

You are jealous, my friend, that you won't see any A's these tests.

TUCKER

You wanna bet?

Dylan opens his lockers to put his stuff in, when suddenly from the locker drops a lot of origami figures. Nugget gets kind of scared and almost runs. Tucker and Dylan look at all the things surprised.

(CONTINUED)

TUCKER

Yo' bro. I knew you liked them, but not that you were this fanatic.

DYLAN

Wait, I didn't put them in.

TUCKER

That's your locker brother.

NUGGET

Wait I think I have seen these somewhere.

Somehow the people around Dylan doesn't really pay attention to it. Dylan picks them up and look at them. This doesn't seem like the ones he do. He reads on them: THANK YOU FOR BEING SO COMPREHENSIBLE. Dylan takes another one, it says: YOU MADE MY DAY, DYLAN. Another one says: YOU'RE THE BEST, DYLAN, YOU ALWAYS KNEW WHAT TO SAY. In another he could read: YOU HAVE A BEAUTIFUL SMILE, DYLAN. Tucker and Nugget also start picking some of them up.

TUCKER

Hey! I didn't knew you were a casanova.

DYLAN

I'm not.

NUGGET

Then why do you have so many of these?

Dylan shrugs, but he seems happy. Tucker is taking some stuff from his locker. Dylan turns and asks him.

DYLAN

Hey man! Do you know anything about this?

Tucker looks at the origami in the floor.

TUCKER

No idea man. Perhaps you are just famous.

Tucker leaves. Dylan look at all the origamis and smiles.

INT. BMA HALLS - DAY

The four ambassadors are trying to look from the distance Dylan's reaction.

JENNIFER

Do you think he knows we did it?

JAKE

How could he? We haven't done anything for him so far but laugh at him. I think we are clear.

JENNIFER

Look at his smile. He seems happy.

MELISSA

I told you he would. He loves those origamis. Helping him the way he helped others is sure the most efficient way.

EDDY

I guess you are right.

Allison is from the distance listening to them and watching Dylan picks up all the origami and putting it on his backpack.

ALLISON

(to herself)

So that was all about? I'm so dumb!

INT. DYLAN'S ROOM - MIDDAY

Dylan is putting some tape in one origami figure. Tucker is putting his shoes and then he awaits in the door.

TUCKER

I'm leaving man. I don't want to do no line.

DYLAN

I'm coming.

Dylan take the origami picture and puts it in the wall. As fast as he can he puts his jacket and goes out with Tucker. In the wall are all the origami figures pasted. In some CLOSE SHOTS are the main figures that he got back as results of his work.

(CONTINUED)

NARRATOR (V. O.)

All these origamis weren't just figures to him, these meant thankful hearts. People he once help now was doing the same for him. He could recognize some in between the rest and he was happy that his work wasn't been in vain.

INT. CAFETERIA - MIDDAY

Dylan is taking is about to sit and eat when he sees at the distance at Melissa. He smiles.

DYLAN

I'll right back.

INT. CAFETERIA - MIDDAY

Dylan approaches Melissa who's next to Sofia. Melissa smiles when she sees him.

MELISSA

Hey Dylan!

DYLAN

Hey Melissa! Look, I wanted to thank you for what you did today. You know,

MELISSA

What do you mean?

DYLAN

You know. The things in my locker today.

MELISSA

I don't know what you're saying, Dylan, but I feel glad you seem better.

INT. CAFETERIA - MIDDAY

Eddy is standing in front of Eddy. He's with Anna, Zero, Zoe, Skinny and Adam.

EDDY

Cool man, but to be honest. I don't think we are talking about the same

(MORE)

(CONTINUED)

EDDY (cont'd)  
thing. I don't have nothing to do  
with that. But hey, is cool to see  
you smiling again.

INT. CAFETERIA - MIDDAY

Dylan is sitted in front of Jennifer.

JENNIFER  
Oh sure, sure. But what are you  
exactly talking about?

INT. CAFETERIA - MIDDAY

Jake is taking his spoon and fork. Dylan is next to him.

JAKE  
Look man, I told you already. It  
sounds really cool, but do you  
think I would have done that?  
Seriously, me?

DYLAN  
Well, you are Jake and I know I can  
always count with you.

JAKE  
(smiling)  
Okay bro, if you feel that  
optimistic and with some ideas,  
instead of think about it why don't  
you help me with something?

DYLAN  
Sure, just shoot it and I'm ready  
to start.

Jake smiles and starts telling something to Dylan.

NARRATOR (V. O.)  
Even after all of them had deny it,  
still Dylan was happy to thank  
them. He knew the ambassadors  
project should be something secret  
and sure they did a well job hiding  
everything in his locker, but they  
didn't that well at hiding  
themselves behind that wall. Still  
he let them play. He was already  
happy and thankful for having such  
amazing friends.

EXT. FARM - AFTERNOON

Melissa and Sofia have their clothes with some dirt and they seem a little tired. They are walking away of the farm through the big road.

SOFIA

Hey te puedo preguntar algo?

MELISSA

Hmmm.

SOFIA

Can I ask you something?

MELISSA

That's better.

SOFIA

You are really going to make me do this?

MELISSA

You wanted to learn, don't you?  
Well, this might be the way.

SOFIA

That's true.

MELISSA

Well... what do you wanted to ask?

SOFIA

Oh well... I mean, this just got me curious. We were helping in the dorms cleaning, then we just went to the library to fix some stuff, and now we were at the farm. Why are we exactly doing this? I mean, the working time was over a while ago, doesn't it?

MELISSA

That's a good question and honestly the answer might be a little dissapointing. Let's just say there's people who might need our help and if I'm free I'm always up to be that helpful hand. I like to do it. Actually the fact that you followed me make me thing that you are also doing a great act of faith.

(CONTINUED)

SOFIA

Well, I just figured this was part of our agenda.

MELISSA

(laughing)

Well, it's up to you. I just do it because I like it.

SOFIA

You're weird. But I got to say it was tired, but still fun.

They both smile.

SOFIA

Do you ever like to help other?

MELISSA

Not at the beginning. But let's say someone help me to get the liking.

Melissa smiles. They keep walking.

INT. WILL'S ROOM - AFTERNOON

Will is on his room thinking for a while, suddenly there's a knock in the door. Will opens and Eddy is on the door.

EDDY

Are you ready?

WILL

Ready for what?

EDDY

They told me to pick you up.

WILL

Who are they?

EDDY

You'll see.

EXT. APPALACHIAN ROOM - AFTERNOON

Eddy is walking with Will till they get to the room.

JAKE (V. O.)

During all this semester you were very patient, dedicated and visionary.

(CONTINUED)

There are some lights and stuff ornamenting the place. Jake has a suit over his tshirt and is still wearing some jeans.

JAKE (V. O.)

You were one of the first person to trust me more than I do on myself.

Dylan has a speaker and puts some GRADUATION MUSIC. Will is looking at everything amazed.

JAKE (V. O.)

And even when I fail, you never let me get down.

They are all having a nice time while they are playing blitz and eating some granola bars and

JAKE (V. O.)

You are just a crack. A source of inspiration.

Jake and Will seem to be having fun while they are there.

JAKE (V. O.)

And I got to say that I started this just because I wanted to earn some knowledge out of you, but at the end I earned a friendship which I feel is better.

The ambassadors are listening to Jake and Will graduation. Jake has a paper and seems proud of what's he saying.

JAKE

Now, for all this and even more I'm here right now to present you as the best coach there is.

He gives Will a paper that says: BEST COACH EVER. The ambassadors clap. Jake gets closer.

JAKE

You deserve it man. Sorry I let you down once, but it won't happen again.

WILL

(joking)

You better make sure about it.

They both do a handshake smiling.

INT. APPALACHIAN ROOM - AFTERNOON

All the ambassadors and Will are having fun, while Eddy and Jake are picking up some garbage.

JAKE

Hey bro. Thanks for getting everything.

EDDY

You know, that's what I do best.

They both smile.

EXT. FOOTBALL COURT - AFTERNOON

Jake, Jennifer and Will are sittted watching the panorama. The other kids has already left. The scene seems so peaceful.

JENNIFER

Can you believe we are going to be gone in a few more months?

JAKE

Time flies that's for sure.

JENNIFER

Yeah, it seems like it was a few months ago when I was a freshmen. So many things we did here, all the fun we had. Now I'm about to start college.

WILL

Well, this was my first year here, but sure I will remember BMA as a beautiful part of my life.

They smile agreeing.

JAKE

So do you have any plans for the future?

WILL

I do. I guess now I wanted to be a professional volleyball player.

Jennifer and Jake just look at him.

(CONTINUED)

WILL

Just kidding. I always wanted to be an engineer. I'm good at math and I like computers, so I guess I'm ready for it.

JAKE

Sounds like you are going to love it.

WILL

What about you? Any plans keeping playing?

JAKE

Me? Hmm nah. You see, I like sports, but as a hobby. I think I have always see myself as a doctor.

JENNIFER

Really? No way!

JAKE

Why not? I think I'll do a great job.

JENNIFER

I would have expected for everyone but you.

JAKE

Well, we can dream, don't we? And still I feel like I would do a pretty decent job, you know. I can take care of others better now.

They smile.

JAKE

Anyways, what is it for you?

Jennifer smiles.

JENNIFER

I'm still thinking about it. But if you ask me, I feel like I just discovered something really cool.

WILL

What is it?

(CONTINUED)

JENNIFER

You see, I like to do a lot of stuff even when I'm not the best on it, but still I like to help in what I can. So, if you become a missionary you get to go around different cities or even countries in the world helping people with what you can. I mean. You can be sometimes a teacher, other times you can help with nursery. I mean, there are a lot of things you can get prepared to. That way you can be everything and mean everything for those who need it.

JAKE

Wow. I never thought about it that way.

JENNIFER

(smiling)

And somehow I feel like this principal's project just prepared me for that.

They smile.

WILL

What principal's project?

JAKE

A homework we did. Nothing important if you ask me.

They keep talking while the camera TILTS UP to the sky.

INT. DYLAN'S ROOM - NIGHT

Dylan and Tucker are talking excited.

DYLAN

And then my uncle just said: no way there are bears here. You should've see that.

RECEPCION VOICE OVER

In five minutes we are turning off the lights.

Tucker closes the book he's reading.

(CONTINUED)

TUCKER  
Oh I need to brush my teeth.

DYLAN  
Yeah me too.

INT. DYLAN'S ROOM - NIGHT

They both come back with their toothbrushes. The lights are already off.

DYLAN  
... that's why I never do hiking  
when it's already dark.

TUCKER  
I guess nobody does.

Each one gets to their beds. Dylan prepares his stuff and then kneels. Tucker look at him at the distance, then Dylan turns at him with a smile.

DYLAN  
Hey man! Do you want to pray with  
me?

Tucker just look at him for a while without knowing what to say.

TUCKER  
Yeah, sure.

Both of them kneels together and closes their eyes. Dylan starts praying.

DYLAN  
Dear heavenly father...

EXT. DORM - NIGHT

From the window can be seen Dylan and Tucker still praying. With a TRAVELING OUT we get away from them seeing the whole dorm, afterwards the campus and later BMA.
